

San Marco, the Elegance

This 100% Cabernet Sauvignon wine is allowed to mature in small oak casks; this wine has noble characteristics and a powerful taste.

You can feel the spicy aroma coming from the aging oak but also the rich ripe cherry flavour.

Some notes

GRAPE VARIETY: differently from Merlot, Cabernet Sauvignon has a less full taste but it is characterised by more structure and more elegance, meaning a wine in which perfumes and aromas are very equilibrate and not aggressive.

VINEYARD: 20 years old with a production of 65 hl/ha.

VINIFICATION AND AGING: prolonged maceration, 12 months aging in barrique (barrels of 225 litres) and one year aging in bigger tanks.

To drink with

Young or long-aged pecorino (sheep) cheese, grilled lamb chop.... some piano notes.
